Iss video ko banane mein kiya hai humne kafi jatan, Toh jaldi se kardo click on the subscribe button...wah wahhhh wahhhh

Matter

How to choose a stock for long-term investment?

Dialogue: Sabse pehle toh yeh dekhte hai ki long-term investment he kya so Long-term investments are assets that an individual or company intends to hold for a period of more than three years.

Dialogue: iska matalb ki koi bhi individual ya company assests ko 3 saal se jayada ke liye hold karti he thik he.

Dialogue: Instruments facilitating long-term investments include stocks, real estate, cash, etc.

Dialogue: matlab long-term investment me jo instruments facilitating hote he vo he stocks, real estate, cash or bhi bhot

Dialogue: Long-term investors take on a substantial degree of risk in pursuit of higher returns. Matlab long-term risk to bhot he par paisa bhi utna hi he.

So life experience karo thore thrills,

long-term investor banne ke liye you need to learn some skills....waaahhh waahhhh waaahhh.

Skills do you need to become a successful long-term investor:

Well, dosto ek successful long-term investor banne ke liye aapko kuch skills pe kaam karna padega

Research the Company: invest karne se phele ye bhot jaruri he ki aap company ke upar thodi research kare company ke growth revenue, earnings or debt levels ko dekhe or company ki management team or track records bhi dekhe

Look for a Competitive Advantage: competitive advantage hi he jo ek company ko dusre company se alag banata he un companys ko dekhe jinka pass strong brand, patents or unquie bussines model ho

Check the Valuation: valuation ko check karna bhot jaruri he kyuki ye hi aapko idea dega ki company ke stocks overvalued he ya phir

undervalued he P/E ratio ko dekhe or compare kare company ko jise appko idea mile ki stocks fairly proceed he ya nahi.

Consider the Industry: ek company jis industry me oprate kar rahi he vo uske long-term prospects pe bhot effect dalti he esi industry ko dekhe jo ek growing industry he jese technology or healthcare

Look at Dividend History: agar aap long-term investments ke liye soch rahe he to esi company bhot he beneficial he jo dividend me pay karti ho so company ki dividend history par zara gor pharmaye.

Consider the Economic Environment: ab sabse aakhir step long-term investment me economic enviroment dekhna bhot jaruri he kyuki ye factors hi bataynge ki long-term me company koi struggle kargi ya nahi kuch economic factor jese intrest rates, infilation, or overall economic state of a company

So Make the necessary efforts to become a skilled long-term trader
The market definitely rewards those who hard work. Becoming a master isn't easy, but it is possible and well worth the effort

Toh yeh the saare skills Jo aapko banayege ek kamyaab long-term trader Agar aapko koi or jaankari chahiye toh comment Karke zarur batayega Kya pata agla video aapke topic pe hi ho.

So isi ke saath aaj ki Gal- baat karte hai khatam I Hope yeh saari information aapke liye Help ful ho. And haan .
